North Central to Form P-TA Group on Tuesday

Organization of a Parent-Teacher Association unit at the new North Central School will be considered at a meeting at 7:30 p.m. Tuesday to which parents of all pupils are being invited, according to Superintendent R.E. Webb.

Present for the occasion will be Mrs. O. L. Anderson of Gulfport, second vice president of the Mississippi Congress of Parents and Teachers, and Mrs. Dudley Harris of Biloxi, District 14 organizational director. Members of the county school board, which has jurisdiction over North Central, also are expected to attend.

The two state representatives will outline the policies and functions of the organization as well as requirements to become a part of the National Congress of Parents and Teachers. Basic P-TA policy is that the Congress and its local units shall not seek to direct the administrative activities of the school or to control their policies. Personal problems or matters involving school administration are not the responsibility of a P-TA representative.

There are more than 11 million citizens who are members of more than 45,000 P-TAs. Current national theme is Strengthening Our Homes—Source of Our Nation's Greatness.

One group of parents, unaware of the usual custom in organizing a P-TA, attempted two weeks ago to form their own club for this purpose.

SCHOOL'S IN!

LET'S DRIVE SAFELY

WITH Mississippi's school children going to and from school these days, it's more important than ever to drive safely.

Last year over 40,000 people lost their lives through auto traffic accidents across the nation. Most of these accidents were due to excessive speed or failure to observe a few simple rules of the road.

The simple rules telephone drivers learn in their "Defensive Driving" training program are courtesy, care and commonsense... Applying these "three C's of Safety," Mississippi phone employees, last year set a new all-time safety record while driving a total of 8,400,000 miles.

Always drive with courtesy, care and commonsense.

Miss Flink, Bride-Elect, Feted at Surprise Parties

Premptual entertaining has started for Miss Barbara Ann Flink, whose marriage to James Paul Berdell Jr. will be an event of Nov. 14 at Our Lady of the Gulf Catholic Church.

A surprise shower was given for the bride-elect by Mesdames A. Alselmo and Audrey Reith at their home on Marigny Street, New Orleans, on Sept. 10.

The dining table was gallily decorated with pastel colored gladioli, and centered with a two-tiered miniature wedding cake adorned with a small old fashioned bouquet of white sweetheart roses. Tiny figures of a wedding party surrounded the cake.

*from every business enterprise

If some
good neighbor
with a popcorn stand
was giving you
part of his
profits every day...

... you would probably give him ALL of your popcorn business ... you might even try to influence other neighbors to take up popcorn ... and to buy it at home.

Actually, you DO share in the profits of EVERY business in your home community, because a BIG PART of the gross margin on every local business transaction goes toward the support of things that benefit YOU and everyone else who lives here.

Such as schools, churches, roads and streets, fire and police protection, jobs for more people so that we can keep among us MORE good teachers and preachers and doctors and other skilled folks. And so we can have more stores that are better stocked for our convenience and for our EMERGENCY needs.

Because we don't get these benefits in cash, we sometimes forget that ALL home business is really OUR BUSINESS. And some of us even forget ... and trade somewhere else ... when OUR OWN PAYCHECK depends on keeping this community prosperous.

Oak Lane is now a part of the Waveland street system after it was dedicated to the city last week by the McDonald Realty Co. Located between Conrad Lane and Allen Road in Lake View subdivision, the street has been in use for approximately six years. Stanislaus loses Tough Vigor Game

Stanislaus' Rock-A-Chaws, outweighted and going out their class again, lost another game in Mobile Saturday to the 20-12.

The Rock-A-Chaws went into the game a three touchdown underdog, according to football experts in the vicinity, and were outweighted three to four pounds in the line and about six pounds in the backfield. In its opening game, Stanislaus defeated Pascagoula 21-0 and is a strong contender for the championship of its conference in Alabama.

At the end of the first half, Stanislaus appeared on its way to a convincing victory, leading 13-0. Coach Reuben Ruiz gave his team a pep talk in the dressing room during half time they came back to score twice in the next minutes of the second half.

Shortly after the horn sounded for the second half, J. E. Lata-
ne tackled a deep behind the line of scrimmage and threw a mighty pass to end Terry Ladner, good for 45 yards, putting the pigskin away short of a touchdown. On the next play Ronnie Artigues scored on an off-tackle run but was stopped when he tried to run the ball for the extra point.

The second and last Stanislaus touchdown was set up when Jimmy Kimball ran the ball 35 yards before being downed on the yard line of Vigor. Vigor ran in the end zone and the Rock-A-Chaws set a solid wall for three tries but on fourth down Latacane took the ball over on an end sweep and was good for four yards and a touchdown. Latacane was tackled on the play and was last for the rest of the game but will play this week.

Stanislaus threatened again in the fourth quarter on a power march down the field climaxed by a beautiful pass from Lebrano to Ladner, good for about 30 yards to Vigor's 15 yard line. Vigor's line held and the Rock-A-Chaws lost the ball on downs three minutes of playing time remaining.

VICTORY FEAST—Frank Trapani was host at a banquet Thursday for the members and their wives of the softball team he sponsored which won the city championship in a play-off with Bea George's club. From left, seated, are Bill Osbourn, Mrs. Theo Tudary chairman of the Parks and Playgrounds Commission; Bill Osbourn Jr., Junior Geefray and Tut Monti; standing, Henry Monti Jr., Bob Givens, Burch Tillman, Clayton Adams, Raymond Strong, J. C. Necaise, Red Reinike, Buddy Pitale, John Ladner, Herman Yarborough and Trapani. Charles Tartavouille and Donald Strong, members of the team, are not shown.

Seymour Gets Coaching Post

Wilmer Seymour, member of the Bay High School faculty for the last three years, has been appointed coach for the varsity boys' and girls' basketball teams to fill the vacancy created by the recent death of Billy Bob Gray, it was announced this week by Superintendent J. D. McCullough.

Seymour has been coaching the grammar grade football and basketball teams in the past. Those duties will now be assumed by Rupert Breland.

Friday night Stanislaus meets Nicholls, one of New Orleans' strangest prep teams here and will again be the underdog but Coach Ruiz believes he is due for a change of luck. If Latacane had not been lost for half the game the Rock-A-Chaws might have turned the tables on Vigor and with a little good luck for a

Shoulda Gone Fishin'

BY EDDIE ENGELHORN

Bad weather continued to plague local fishermen during the weekend but those who were lucky enough to be able to get out last Thursday and Friday had some success. High winds was the common complaint.

Dave hunting, a very popular sport in this vicinity, has been poor. Hunters made a few trips shortly after the split season opened Sept. 9 but the birds were so scarce most of them gave up. It is believed that only a few local birds are available in this part of the season.

Alden Mauffray reports that he has heard of several parties catching large reds at the Keys again last week before the squally weather moved in. The reds were schooled, he said, and some of his customers came in for heavier tackle so they could return and land the ones that got away.

LaFrance Carries 62 Yards for Tiger TD

Bay High's Tigers made it two in a row Friday night by defeating a rugged Carriere team 14-13 at Carriere.

The Blue Devils from Carriere are members of the highly rated De Soto conference and the Tigers are in the Gulf Coast conference.

The Tigers, trying for a perfect season, lost no time getting up steam and things started to pop early in the opening quarter when Lester La France broke away and, with fine interference, carried the pigskin 62 yards for a touchdown. Bill Watts converted.

The determined Blue Devils tied the score at 7-7 when Larry Palmer made a long end run good for 10 yards and a TD and Preston Gill converted.

Neither team was able to score in the second quarter. Carriere threatened several times but the Tigers' big line held. Bay High went ahead in the third period when Bobbie Vancol-

sen took the ball over from the one and Milton Bernard added what proved to be the winning point on a pass from Pete Peterson. Bernard and Petersen also set up the touchdowns when Bernard, on the ground, snagged a pass on the one yard line.

Carriere rallied in the fourth quarter and with only six minutes remaining, Roland Summers went through tackle for six yards and a touchdown. A pass for the extra point was no good.

Score by quarters:
Bay High 7 0 7 0—14
Carriere 7 0 0 6—13

Tonight, Bay High begins a series with an inexperienced but hard playing, well coached North Central squad. The first string Tigers will get a rest as, by agreement among the conference, only "B" teams will play North Central this, their first year. However, Coach Lance Lumpkin

Brenda Salvant Becomes Bride of Ernest Sallee

Arrangements of white gladioli and stock against a background of palms decorated Our Lady of the Gulf Catholic Church for the wedding at 11 a.m. Saturday of Miss Brenda Evie Ann Salvant, of New Orleans and Waveland, and Ernest Allen Sallee Jr., stationed with the Air Force at Keesler Field.

The sanctuary was aglow with white candles in tall candelabras entwined with Southern smilax. White gladioli and chrysanthemums filled baskets hung from the pews which formed an aisle of bridal flowers.

The Very Rev. Mgr. Martin Moloney, pastor, officiated at the double ring ceremony assisted by the Rev. Adrian Mercier.

The bride, daughter of Mr. and Mrs. Guy Clifton Salvant, was given in marriage by her father. Her princess style gown of delustrated satin was fashioned with a fitted bodice with a Sabrina neckline and long sleeves, pinned at the wrist. French resembraided Alencon lace and tiny seed pearls trimmed the bodice and cascaded down the sides of the skirt ending in large satin roses. The softly folded skirt extended into a chapel train. Her veil of French illusion was held in place by a beaded coronet and she

carried a cascade bouquet of white roses and lilies of the valley, centered with a white orchid.

Miss Peggy Hanemann of New Orleans was maid of honor with the Misses Gwendolyn Heitzman of Kenner, La., and the groom's sisters, Mary Jo, Jane and Joan Sallee of Arkadelphia, Ark., as bridesmaids. Their petite length gowns of ice blue tulle de sole featured long bodices with beaufant skirts with a huge back bow. They wore matching feathered headpieces and carried nosegays of pink sweetheart roses and blue lilies of the Nile.

The groom, son of Col. and Mrs. Ernest Allen Sallee of Arkadelphia, Ark., chose for his best man the bride's cousin, Hamilton Guenard III of Waveland. The groomsmen were Leonard Poche, a cousin of the bride, and J. Louis Costa, both of New Orleans, with Jacob Emmer and Lance Stella, also both of New Orleans, as ushers.

A reception followed at the bride's parents' home in Gulf Gardens, Waveland, where baskets of gladioli and stock decorated the rooms with crystal candelabras, white stock and chrysanthemums used on the bride's table. In the garden were tables with colorful Japanese umbrellas surrounding the bird bath encircled with red sylvia and topped with an arrangement of white gladioli and stock.

For the occasion, Mrs. Salvant chose a princess style black gown with white satin-lined caplet sleeves and a white satin hat with white ostrich plumes. She added a lavender orchid at the shoulder. The groom's mother was in a black taffeta gown embellished with blue, matching blue accessories and a corsage of cyndidum orchids.

When the bride left on her wedding trip, she was wearing a light blue French wool suit with a fitted jacket, a blue feathered hat and midnight blue accessories, a white orchid at the shoulder. After a Florida honeymoon, the couple will reside in San Antonio, Tex., where the groom is to be stationed.

Mrs. Sallee was queen of the children's Carnival Club in New Orleans in 1951. She attended Ursuline Academy for two years and was graduated last spring from St. Joseph's Academy. Mr. Sallee completed two years of study in electrical engineering at the University of Arkansas before joining the Air Force.

Charmaine Ruhr Marks Birthday

Charmaine Ruhr, daughter of Mr. and Mrs. Ray Ruhr, celebrated her third birthday at a party at the home of her grandparents, Mr. and Mrs. Edward Fayard Sr., Sunday.

Decorations were carried out in a pink and blue color scheme. The table covered with a white cloth was centered with the large pink and blue cake aglow with its three candles, with party baskets of candy and favors on either side.

Those joining in the celebration with Charmaine were Angela Fazzie, Edward, Barbara Lee and Mary Alice Fayard, Kenneth Fayard Jr., Bill and Kevin Carr, Paula and Mary Ellen Lachar, Jimmy Varnell, Gail, Debbie, Tommy and Steve Long, Warren and Deana Kay Sick, Elaine Elison, Alice and Pam Lytell and Jo Ann Aulen.

Harvest Ball Slated Oct. 3

One of the gala events of the early fall season will be the annual Harvest Ball sponsored by the American Legion auxiliary from 9 p.m. to 1 a.m. Oct. 3 at the Legion Home.

Dancing will be to the music of Jimmy Vance's band and proceeds will go toward purchase of gifts for the Christmas Gift Shop project at the Gulfport, Biloxi and Jackson Veterans Administration Hospitals, as is the custom of auxiliaries throughout the country. The service provides hospitalized veterans with the privilege of Christmas shopping for their families.

Mrs. Gilbert Gayatz, auxiliary president, is urging all Legionnaires and auxiliary members to make out their Christmas shopping list and bring it to the auxiliary office for a list of needs.

A complete list of needs will be compiled and a list of gifts will be made out by the auxiliary committee.
